**An artist with imagination AND business sense...  
Now that's something you don't find every day.**

Indulge yourself with a visit to [www.LizKassler.com](http://www.LizKassler.com) — online home of **Liz Kassler**, principal and creative director of **Lizard Graphix**. Liz offers her clients a rare blend of extravagant creativity, boundless energy and practical business acumen. Her illustrations in both her "3-Dlite" and simpler "2-Dlite" styles are fresh and fun and show her special affinity for children, animals and fantasy creatures—as well as sweets of all varieties! And Liz's commercial credentials and experience make her the ideal professional to anchor or round out your design team for your most challenging projects.

I welcome the opportunity to talk with you about your specific needs and ways that Liz might help. Please contact me at your convenience.
